Church life is gradually improving! We can now have 25% parishioners of our fire capacity in the body of the church and 10 in each cry room and 10 in the chapel while maintaining social distancing and wearing masks. Total: 84 spaces.

We received a wonderful gift from a neighboring parish who took pity on Presentation. It was an \$8000 gift solicited personally by the Archbishop. God bless him and the people of St. Mary's in Littleton.! Please support his ACA Campaign. The Archbishop gave Presentation \$13,500 from the campaign and the assistance of Catholic Community Services to help us raise our offertory to pre-Covid levels.

Please Vote Pro-Life

Catholics (and Christians generally) have a duty to inform themselves about where their political candidates stand on the issue.

This evaluation starts, of course, with where they stand on violence against human beings, because if public servants cannot tell the difference between serving the public and killing the public, they do not belong in public office.

What if a candidate supported terrorism? Would a God-fearing Catholic say, "Well, I disagree with you on terrorism, but what's your health care plan? Maybe we can work together on some social programs. After all, terrorism is not the only issue."

The parallel, of course, is abortion. "Typically, the skull is brought out in fragments rather than as a unified piece" (Abortionist Martin Haskell, in 1999 Court testimony in Wisconsin, regarding legal abortion).

How can anyone make the case that this skull-cracking, which is still legal, is less violent than terrorism----particularly as this occurs 3,500 times every day in the U.S? How can anyone make the case that we can tolerate it while we work with the candidate on "social" programs?

The heart of what is "social" is that it respects the other person ---- and that means not cracking their skull. We fight terrorism, and rightly so. But when we allow abortion and vote for pro-abortion politicians at the same time, the evil we fight becomes merely a reflection of the evil we do.

POR FAVOR VOTA PRO-VIDA

Los católicos (y cristianos en general) tienen el deber de informarse que es la posición de sus candidatos políticos en este tema.

Esta valuación empieza, por supuesto, en saber qué es lo que piensan de la violencia en contra de la vida humana, porque si los políticos no saben la diferencia entre el servicio al público y matando al público, ellos no pertenecen en una oficina pública.

Qué tal si el candidato apoya el terrorismo? Acaso un católico-temeroso de Dios diría, "Bueno, yo no estoy de acuerdo con usted sobre el terrorismo, pero que tal esta su plan médico? A la mejor podríamos trabajar juntos en algunos programas sociales. Después de todo, el terrorismo no es el único problema.

Algo relacionado, por supuesto, es el aborto. "Normalmente, el cráneo es sacado en fragmentos en vez de una sola pieza" (fue el testimonio sobre el aborto legal de él abortista Martin Haskell en 1999 en el estado de Wisconsin).

Como puede ser que alguien pueda justificar que el quebramiento de cráneo, cual es todavía legal, sea menos violento que el terrorismo---especialmente cuando esto ocurre 3500 veces al día es Estados Unidos? Como puede alguien justificar que podemos tolerar esta acción mientras trabajamos con los candidatos en programas "sociales"?

El alma de lo que es "Social" es que respeta la otra persona----y eso significa que no les quebramos su cráneo. Luchamos contra el terrorismo, y con mucha razón. Pero cuando permitimos el aborto y políticos pro-aborto, a la misma vez, el mal contra quien luchamos se hace reflejo con el mal que hacemos.
